Dear Sir or Madam:

Under the Freedom of Information Act, I am requesting access to files regarding the captioned site.

I would like to obtain information to the current status of the site. I believe there exists a Remedial Investigation/Feasibility Study Work Plan that was recently approved. Can I get a copy of this?

I am also interested in obtaining information regarding percent allocations among the PRPs. Also, did any of the PRPs settle already?

I can come to Chicago to review files, at your convenience. I am willing to pay reasonable research and copying charge that relate to this request.

Thank you for your help. Any questions, please call.

Sincerely,

Thomas N. Kearns
